Clerk of the United States Bankruptcy Court for
the Southern District of New York
One Bowling Green
New York, New York 10004

Dear Judge Burton R. Lifland:

For the record I would like you to know that I disagree with the determination of
Bankruptcy Case No. 08-1789 (BRL).

It will be a hardship for me to appear in court.

As I understand the ruling, because my money went directly to Frank Avellino, whose
assets were held in a securities account with Bernard L. Madoff Investment Securities,
LLC, my money was not covered by SIPA.

Was Kenn Jordan Associates' (Frank Avellino's) SIPA claim accepted?

Sincerely,

Ms. Quentin Walter

Dear Quentin ,

As undoubtedly you are aware, Bernard L. Madoff was arrested on December 11, 2008. We are surprised by these events as Mr. Madoff had a valued reputation on Wall Street and in the history of the stock market. All of our assets are held in a securities account with Bernard L. Madoff Investment Securities, LLC, which the SEC has frozen. We have made a demand for these assets, however no direct response has been received at this time.

It is possible that you may be entitled to a tax deduction as a result of Mr. Madoff's fraudulent activities. We encourage you to talk to your accountant about this matter and any related issues. Also, you may wish to consult your homeowner, property, and or casualty policies as they may cover theft or embezzlement losses.

We are attempting to obtain information with regard to this evolving situation and will keep you informed as we receive information.

Sincerely,

Frank Avellino
